

VYACC-PT

Preformed T-Joint Patch

DESCRIPTION

Preformed T-joint patch for membrane intersections.

BENEFITS

- Factory-made for consistent quality
- Reduces installation time
- Ensures watertight detailing

APPLICATIONS

- Membrane intersections

INSTALLATION

Hot-air welded to PVC/TPO membranes.

STORAGE & SHELF LIFE

Store in dry conditions, away from sunlight. Shelf life: 24 months.

DIMENSIONS & PACKAGING & TECHNICAL DATA

Material: PVC/TPO

Color: White

Thickness: 1.5mm

Packaging: 10 pcs/pack

Tensile strength: PVC $\geq$ 10MPa, TPO $\geq$ 12MPa

Elongation at break: PVC $\geq$ 200%, TPO $\geq$ 500%
